

Fort Hamilton

BRAC 2005 Recommendation:

The Army intends to make Ft Hamilton a hub for Reserve Command and Control in the North East while maintaining its Active-Component installation status. The Army Reserve Command and Control transformation will enhance unit readiness, increase training opportunities, generate operational efficiencies and convert non-deployable commands into deployable force structure.

Gains:

- Build a new Armed Forces Reserve Center on Ft Hamilton

Losses:

- Close the United States Army Reserve Center on Ft Hamilton
- Close two National Guard Armories with State permission
